Principal, Robert L. Montemurro
Assistant Principal, Heather Verdi
Interim Assistant Principal, Geoffrey Kenyon

Are you looking for an opportunity to support the Arts? The Platt High School Performing Arts Boosters would like to offer you an excellent opportunity to do so!

The Platt High School Music and Theater ensembles are very active performing for school and community functions. These groups are committed to providing the best quality entertainment, while sharpening their talents and skills in the classroom setting.

The Performing Arts Boosters is producing a ***Platt High School Performing Arts Playbill*** for the 2013-14 school year that will be used at concerts and other functions, when appropriate. The ***Playbill*** will remain the same throughout the year and will include an insert with specific information on the current production. This will serve as the predominant fundraiser for the students and the Performing Arts Programs. The proceeds from ads and donations collected by a student will offset the cost for the students to participate in school-sponsored trips (Washington D.C. in April, 2014) and activities outside of the classroom, in-and-out of state.

We invite you to purchase advertisement space in the *Playbill*. Prices range from $10.00 for a one line salute, to camera ready ads for $25, $50 or $100. There is a price range to fit any business, community organization or individual family member's budget. (See attached flier.)

Another way to participate is to join our Blue & Gold Donor Level. This is a one-time contribution of $200 that will be highlighted in the *Platt High School Performing Arts Playbill* with a full page ad. In addition, the donor will receive 2 tickets for each performance and additional signage displayed at every event.

We hope that you will consider making a contribution to this outstanding program at Platt High School. Thank you in advance for your support!

Sincerely,

The Platt High School Performing Arts Boosters

Christine Flynn, President – cbflynn6@att.net
Dawn Crane, Secretary – dmcrane1@sbcglobal.net
Tammy Noxon, Treasurer – tammy.noxon@us.trumpf.com

Statement of Core Values and Beliefs

The O.H. Platt High School community believes all students deserve a learning environment in which to achieve their full academic, civic, and social potential. Students must have a physically and emotionally safe, disciplined atmosphere in which they are motivated to set goals, make responsible decisions, and enjoy success. Our multicultural society develops independent, creative, resilient learners and thinkers. With support of school faculty, family and members of our community, Platt students will become confident, self-sustaining adults who contribute to society.
